6.11 Activities and support from the Alumni Association

2 General Body meetings and 2 Common meetings are conducted with the alumni during the year.

The alumni requested for new groups and are ready to contribute if a need arises.

6.12 Activities and support from the Parent – Teacher Association

The association is playing a pivotal role to get new courses in the institution.

6.13 Development programmes for support staff

Group insurance scheme is provided to all the members of the staff.

6.14 Initiatives taken by the institution to make the campus eco-friendly

Vanamahostsvams (a festival of plantation) are done every year in the campus. Tree wastage is turned as maneuorers.

A lot of importance is given to make the campus green.

Vanam – Manam activity is conducted regularly and nearly 200 saplings are planted in the campus.

It is resolved to plant more than 500 saplings in the forth coming year.

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

1. ICT enabled teaching is done to promote student centric activities.
2. Workshop on novel teaching methodologies for the teaching staff of the college.
3. Advanced learners are given study projects to cultivate research culture.
4. Slow learners are given remedial coaching to achieve desired pass percentage.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

1. As the achievement of 80% results is the prime aim of the institution, steps are taken to promote reading culture among the students by conducting study hours.
2. Blood donation camp is organised to bring awareness on rendering service to the society.
3. Ward counselling is undertaken to improve the skills of the students.
4. Skill oriented teaching has been undertaken in the classroom.

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

The institution is located about the suburbs of the town in a serene, peaceful and pollute-free atmosphere surrounded by beautiful natural setting and greenery. From various agencies such as NSS, Environmental Club, Campus Beautification, The Physical Education Department Committee and the Biological Sciences Department, all measures to create a sense of environment and the need for its protection among students are taken.

****Provide the details in annexure (annexure need to be numbered as i, ii,iii)***

7.4 Contribution to environmental awareness / protection

Students participated in active plantation in the campus and they only take care of the plants during the year.

7.5 Whether environmental audit was conducted? Yes No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strengths

The college through located in a semi-urban area has all the urban amenities to compete with other colleges in private and corporate sector in matters of admissions and providing qualitative education to the wards .

Weakness

The institution is located in the outskirts of the town, hence difficult to come for the rural students

Opportunities

The college has sufficient land to construct more class room and start more new courses required by the job atmosphere.

Threats

The challenges posed by the corporate colleges who enjoy limitless freedom and have huge financial recourses to grab admissions threaten the existence of Govt. Colleges and this is a common phenomenon elsewhere in the district.

8. Plans of institution for next year

1. To conduct National seminars on various and vivid themes.
2. To motivate the lecturers to complete their Ph.D..
3. To encourage the staff to apply for MRPs. And those who received grant are pursued to complete the same.
4. To cultivate research habits among the students
5. To conduct blood donation camps every year.

ANNEXURE II

PRACTICE-1

1. Title of the practice

- ❖ “Nurture the sapling and it nurtures the earth”.

2. Goal

- ❖ To make a student to adopt one plant. He/she has to take care of that plant during their stay in the campus (i.e. 3 or 5 years). They have to nurture the plant during all the hard times. At the end of their stay the college pins a card bearing the name of the students who ever have nurtured it.

3. The Context:

- ❖ The need for greenery is a pressing desire for the earth. The globalisation and modernisation has killed the vitality of nature. The loss of huge trees is witnessed by all now a days.

4. The Practice:

- ❖ Vanam – Manam is an activity that is conducted regularly in the campus. The Dignitaries are given saplings and they had planted them in the campus. The students and NSS volunteers also planted saplings.
- ❖ The NSS volunteers planted saplings in the villages in which they have done Special Camp; viz T.S., Agraharam and Jallipeta in Palamaner mandal.
- ❖ The Principal, the staff and the students cleaned the campus on the third Saturday of every month.
- ❖ Medicinal saplings have been donated by the Principal and the staff to the Botanical garden of the college. The same are nurtured with care.

5. Evidence of success:

- ❖ So far the clean and green drive program launched has brought discernible change in the students’ attitude towards environment. Students have acquired good qualities such as team spirit, respecting to dignity of labor, positive and healthy attitude and eco friendliness.

6. Problems encountered and resources required:

- ❖ This college is located in a backward area which has been constantly hit by drought and acute water shortage especially during summer.
- ❖ To make all these activities continual and conspicuous water facility is to be provided year long. Pipelines should be laid to supply water to all corners of the college to save greenery.
- ❖ Environmental consciousness among all the students is of immense utility to the college and to the society because of its contribution to the survival of nature .
