15. Multidisciplinary / interdisciplinary

1. The syllabus is framed thus the student of each program studies all the courses which is not in his main course of learning. A student of BA learns science and civilization, Information and Communication Technology, basics of computing and statistics. in the same way the students of B.Sc. studies Indian Culture and heritage and other courses too. They are prescribed in the form of Skill Development Courses and Life Skill Courses and Foundation Courses. The interdisciplinary competitions are conducted and thus the students are ready for the job market.

16. Academic bank of credits (ABC):

1. The affiliating University, Sri Venkateswara University, Tirupati and the Andhra Pradesh State Council For Higher Education planned The Academic Bank of Credits in the year 2020. As per the instructions of the University the students enrolled in the college received log in user name and pass words from the department in-charge concerned. Later they can put their certificates of academic and certificates regarding caste, income and aadhar in the digi locker created by the University. A unique code is given for each certificate and at the time of submission the code will serve the need than the original certificate. It is encouraged in the college and many students got signed in and are utilizing.

17. Skill development:

1. The state Government of Andhra Pradesh has started an esteemed wing called Andhra Pradesh State Skill Development Corporation. Through this the college received 30 laptops and 30 tabs. 2 TV sets and other instruments to make learning easy for the deprived sections of the students. Through the skill development center the students learn different certificate courses like Communication Skills, Tally etc. The Individual departments too are teaching skill based learning to the students.

18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

1. From the academic year 2012 onwards the students are learning Indian Heritage and Culture as one of their course for external evaluation. In 2013 The Commissionerate of Collegiate Education, Andhra Pradesh introduced Human Values and Professional Ethics. Through this the students acquired skills on Indian ethics. The students are encouraged to participate in doing certificate courses through SWAYAM and MOOCS. The Jawahar Knowledge Center of CCE, AP made the students to join Microsoft Up-skilling an online based education portal.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

From the academic year 2020 the outcome based education is planned by the Andhra Pradesh State Council of Higher Education, AP. Prior to that the students are given training in obtaining a job through Jawahar Knowledge Center of the college. All the courses are framed thus the student can have a skill based learning through student centric methods. The students are made ready for the job market in that way. The students have attended short term and long term internship as per the orders of the CCE, AP. Most of them have participated in paid internships.

20.Distance education/online education:

SVCR Government Degree College Palamaner has conducted online classes during the Pandemic. At present the college is not conducting any online classes, even then all the teaching staff have been given the opportunity to produce lessons through LMS and also Podcast. These are the orders given by the Commissioner of Collegiate Education, A.P. However, the college has a distance education centre affiliated to Dr B R Ambedkar Open University, Hyderabad. It offers courses in BA, B.Sc. and B.Com. Many students have been pursuing their degree through this centre.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

SVCR Government Degree College is affiliated to the Sri Venkateswara University, Tirupati. The college follows the curriculum designed by the University. Though the college has no chance to modify the curriculum the teaching staff of the college made endeavours to deliver the content in a student centric method. For effective deployment of the curriculum the following steps are taken in the institution: Academic committee is framed with the coordinator and a team to assist. The annual semester plan will be prepared by individual faculty before commencement of class work in that semester. The annual semester plan will be chalked as per the guidelines of the authority (Commissionerate of Collegiate Education) The annual semester plan will be explained to the students before the commencement of the class work. The students will be sensitized in the matters of course outcomes, programme outcomes and programme specific outcomes. Curriculum enrichment activities such as workshops, skill development programs, Hands on Trainings, Guest Lecturers, Study and Field

visits, Company Internships, Projects and Surveys are planned within the time-table frames. Certificate courses and add on courses too will be conducted as per the demand made by the stake holders.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The college is affiliated to S V University, Tirupati. The academic calendar is provided by the University every academic year at the beginning of the year. The College follows the calendar scrupulously. The academic calendar is placed on the website for the convenience of the students and for the individual departments. Each department downloaded it and kept the copy in the department records. The lecturers plan to deliver the curriculum as per the academic calendar framed by the University. They conducted summative evaluations and posted the marks in the concerned registers. Then the examination committee conducts a meeting with the staff council and takes a decision on conducting internal evaluation to the students. Following the academic calendar of the university the college prepared a time table for the smooth conduct of internal evaluations. The time table was circulated to the students and the staff. Later the concerned incharges of the departments prepared a question paper. The questionpaper was printed by the examination committee and handed over to the lecturer before half an hour of the examination. Answer scripts too were given for the students. Thus the college followed the academic calendar given by S V University, Tirupati.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Human Values and Professional Ethics : This subject has a well structured syllabus, is studied by all students as a foundation course. Environmental Studies is prescribed in the first year first semester. The students understand the importance to be given for keeping the globe green and hospitable.

Science and Technology is incorporated in curriculum to incite scientific temper and rational assessment among students as it forms the very essence of education.

Gender related activities are conducted through Women Empowerment Cell. Gender sensitisation is carried out in co-curricular activities like essay writing and elocution competition. ICT: It is the most important cross cutting issue of the time. It is being tackled in a multi tasked way.

Morals and Good life: This will be taught through subjects like Telugu, Hindi, Urdu and English. The teachers of these subjects narrate anecdotes to enrich the students' morals and to develop good habits.

Renewable Energy Management is a programme designed to reduce the gap between technical aspects of renewable energy and sustainable development. Renewable energy has the potential of being used without causing harmful repercussions to future generations.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

One of the mission statements of the college is to employ innovative methods of teaching and evaluation. All the courses in all the programs of the college have included project work as one of the learning as well as internal formative assessment methodologies. Student centered learning strategies like peer teaching, group activities and interactive teaching methodologies are widely used. These strategies are employed in the courses and programmes. Quality Circles and News Paper in learning vocabulary are two such terms widely used by English department to make students English friendly.

The department of Chemistry took the students to the Industry where the hazardous chemical waste from the lab is turned into cleaning acid. The students learnt the ways of preparing too with a firsthand knowledge.

The department of Electronics sent the students to the internship where the students learnt to prepare automatic switch, automatic door opening system and wind mill operations from Pavan Empower Solutions, Morram.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The college has 03 digital class rooms and 01 virtual class room. The Teaching staff have been following blended learning in the

class room. Sri M. Suryasekhar Reddy, Lecturer in Physics conducted the training for a day and brought awareness on the usage of 03 digital classrooms. These digital classrooms are used regularly by the staff to empower the perception skills of the students. Virtual classrooms are a boon to the students bestowed by the Commissionerate of Collegiate education. Through the virtual classroom, the students can attend classes whenever they are lagging behind a subject or whenever there is no teacher for the class. The recorded youtube lessons as well as the current ongoing lessons are taught through this room. A district wise time table will be framed and the students will get aware of the timetable and thus the room is used. The teaching staff of the college prepares PPTs and thus made the learning easy for the students. The teaching staff maintains a register regarding the usage of ICT by individual teacher of the college.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The Affiliating University, Sri Venkateswara University conducts the evaluation process of the semester end examination. As per the academic calendar the internal examinations have been conducted by the college. The examination section conducts the internal examinations. A circular will be issues prior to hand to the students. After that the students have been given the prescribed syllabus for the exam. The students will be given due to time to get prepared for the examinations. Afterwards the Students will undergo the examination. As per orders of the Commissioner of the Collegiate Education the internal assessment format has been modified. The all round development of the students is given more priority. The assignments, the extra and co curricular activities have been given weightage. The interna exam will be conducted for 20 marks once and for 15 marks for the second time. Later they are graded to a scale of 25 marks. These marks will be sent to the university through online and through hard copies also.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The institution has to follow the timeline of internal examinations given by Sri Venkateswara University, Tirupati. As per the question paper pattern, the external evaluation is for 75 marks and internal evaluation is for 25 marks. The University prescribes the dates in which the internal evaluation of that particular semester has to take place. The college appoints one of the Senior Lecturer as the Chief of Examinations. He will intimate the other teaching staff the dates on which the examinations have to take place. Later, the internal examinations will be conducted. Question paper will be prepared by the teaching staff of the concerned subject. The invigilation is done by the other subject Lecturers. Later the filled in answer sheets will be handed over to the Lecturer concerned for evaluation. The Lecturer will prepare his own blue print as per the university model and conducts the evaluation. After completing the process of evaluation, the teacher distributes the evaluated answer scripts to the students. The students will conduct a self verification of their answers. They will understand where they are lagging behind and what the recurrent mistakes in the answer script.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The process of attainment of POs, PSOs and COs starts from writing appropriate PSOs and COs. Programme specific outcomes are broader and all inclusive attributes that a student displays at the end of the specific programme like B.A. (HEE) or B.Sc. (MPC). Course outcomes are narrower statements that describe what students are expected to know and be able to do at the end of each course. These relate to the skills, knowledge and behavior that the students acquire by the completion of the course. Attainment is reflected in the mapping of these two as the course outcomes have to incorporate the PSOs for the successful actualization of outcomes. Since the programs offered are mostly combination programs like BA (History, Economics and Political Science). Program specific outcomes of the specific program are designed together by the departments involved using action verbs of learning levels suggested by the Andhra Pradesh State Council of Higher Education, A.P. These are later put in the meeting of the staff council for discussion. The discussion focuses on the points whether course assessment methods taken up by the respective departments emphasize on the achievement of learning objectives stated in the form of course outcomes.

Upload COs for all Programmes (exemplars from Glossary)	View File

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The assessment methods, both formative and summative, are the

obvious direct measures to determine the attainment of course outcomes. These tools of assessment are such as two internal examinations, one semester end examination, seminar presentations, group discussions, quizzes, assignments and Just A Minute activities. The efficacy of these tools depends on designing an assessment question paper or a project topic or a term paper prompt that assess not just the conceptual knowledge of the course but the applicatory skills as well as analytical and critical thinking skills. Hence, care is taken in designing questions that measure the skills of application, analysis, synthesis and evaluation. When the questions are thus framed, the assessment automatically measures the attainment of course and program outcomes. Thus a mapping of course outcomes and formative and summative question papers leads to an evaluation of the attainment of PSOs and COS. Apart from this direct method evaluating the attainment of POs and PSOs and COs, the college also makes use of the program end surveys in the form of feedback questionnaires.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

The college aims to bring firsthand knowledge on many issues. To make students aware of the importance of water resources a water harvesting pond was dug. It serves as a reservoir and as a water source for many birds and animals. The pond is of: 60 width, 25 breadth and 8 height. This pond is often filled with rain water. The students visit the pond when there were no rains and clean the pond and make it accessible for the next rain as a part of Swatch College Mission. This pond made them learn the importance of biodiversity too in an experiential method. During the entire academic year, the college conducts many tree plantation activities. More than 600 saplings were planted in the campus. Most of them have been grown into trees. The students learnt to safeguard them during their stay in the college. This makes them empathetic towards nature. They clean the garden in front of their classrooms regularly once in a week under the guidance of their course teachers.

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The NSS and NCC units of the college are the most important channels through which the service to the community is planned and through which the service to the community is planned and Page 24/56 22-01-2024 02:29:47 executed. Since its inception the college has had two units of NSS with 100 students enrolled in each unit and an NCC unit with 55 cadets enrolled every year. Other than these two units the RRC (Red Ribbon Club) too is rendering yeoman service in making college a community based education center. The Red Ribbon Club of the college conducted Blood donation camps every year in the college. Not less than 30 students donate blood in this camp. Not only in the college, but also whenever a need arises for blood the students of the college come voluntarily to donate blood. In that way the students are working for Lion's Club in Palamaner and to the Palamaner Helping Hands, an organization. Through the police department the students tried to spread the message on fines for reckless and helmetless driving. To make the society plastic free the students collected plastic in the roads.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

VISION

1. Empower every student and carve a niche for the future. 2. To nurture with care to make a student an individual. 3. To make the College a centre of higher learning that contributes to the holistic progress of the wards through systematic and well designed methods of teaching and creation of a congenial and conducive environment that promote proper utilization of human resources and the dissemination of the knowledge.

MISSION

1. To impart value oriented, knowledge based quantitative higher learning that creates a sense of social awareness, national consciousness and selfless service in the minds of the students and transforms them into ideal citizens. 2. To bring the fruits of higher education to the doorsteps of all marginalized sections of society and to make them selfreliant and self-confident men and women who can overcome the challenges of contemporary society. 3. To trace the inherent strength and intrinsic worth dormant in the students and channelize them in the right direction to make them trustworthy and responsible representatives of future society.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

For the smooth running of the work in the college the committes are framed with a vision to include participative management. The management model that practices the decentralization of authority and makes all the stakeholders contribute to the administration and governance is the model aspired and followed by the college.

The college regularly hosts the conduct of sports and games at University and inter collegiate level. Only one time the college organized the sports and games at constitutional level. The organization of these events is not done in the fashion of delegating the work from the top to the bottom, but is carried out with extensive discussions, collaboration and democratic participative contribution. The following example stands evidence to the decentralization of the work and participation of staff and students.

The college conducts Fresher's day and college day annually on a grand scale. The students participate during these discussions on arrangements. They suggest to the committee what they can do for the function.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The Principal nominates committees to verify the stock. The committees physically verify the stock, the vouchers and whether proper mechanism is followed in procuring the equipment or service and so on. A copy of the verification outcome is submitted to the Principal. The internal financial accounting of the office is constantly monitored by the Senior Assistant of the office and the Principal. The external financial audits are done by the Regional Joint Director of Collegiate Education and Auditor General's office.

These audits are conducted periodically and without any prior notice. The objections raised by the audit team are recorded, addressed and responded to in an appropriate way following the rules and norms. The audit reports of the college are submitted to the office of CCE.

The RJD CE of Kadapa visited the college in the year 2017 and verified the records. During the Annual Academic and Administrative audit, the CCE nominated lecturers with the title Academic Advisors verify therecords. They may sometimes ask for clarification in Action Taken Report. This report is sent to the CCE office. The Principal and the office address the problems identified and resolve them.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

As a Government institution, the college receives majority of the funds from the AP State Government as per budget allocations. Since the college is recognized under 2 (f) and 12 (B) of the UGC, it receives funds from the UGC. These funds are utilized to enhance the quality of teaching and learning and purchase of equipment for laboratories and sometimes for renovations of the class rooms. The college also attracts funds from the philanthropists and alumni in and around Palamaner. The college also places its requests for financial support among the members of the CPDC.

A few among them who are influential with the administrative circles also recommend and persuade funding from Members of Legislative Assembly for the provision of funds under government schemes. The CPDC and the Principal met the authorities concerned and requested for grants for a bore well. With the sanctioned grants from the Government the college could have a bore well and pipe line connection too.

The college premises is used for conducting examinations apart from programs offered in the college, cricket matches (during holidays) and for private functions and as venue for the conduct and management of general elections periodically.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The Internal Quality Assurance Cell of the college played a major role in institutionalizing the quality assurance strategies and process that have been initiated to ensure that quality benchmarks, that are set up and are achieved in its performance. The primary activity of IQAC is documentation of every curricular, cocurricular and extracurricular activity that is taken up by various departments of the college. The IQAC prepared necessary formats for the preparation of annual teaching plans and teaching diaries . The IQAC and the Principal suggested the teaching staff whenever any deviation occurred. Constructive suggestions from all the teaching staff were encouraged during the meetings. The major problems of the students were identified and face to face counseling was given in such matters where it is needed.

IQAC prepared and submitted documents during Academic and Administrative Audit conducted by the Commissionerate of Collegiate Education, A.P. IQAC conducted training programs for teaching and non teaching staff whenever there is a need or a change occurred. On e-governance and digitalization of certificates the IQAC conducted trainings. IQAC documented all the events of the college. Every activity was noted down in the register meant for college activity register.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC team consists of senior lecturers and senior academician. They suggested the newly appointed lecturers to follow student centric teaching techniques. The curriculum is actually framed by the affiliating University, i.e. S V University, Tirupati. The objectives of each course are given in the curriculum only. IQAC motivated the teaching staff to formulate their own objectives of the course and to explain the same to the students. The slow learners were given remedial coaching; the moderate learners were given tasks in the class rooms. Peer teaching and study projects were assigned to the advanced learners. The ward counselors were being engaged by the Principal and the IQAC. They have to monitor each and every problem and shortcomings of the students. If needed they had been given suggestions and counseling too. For the all round development of the student IQAC arranged many programmes in collaboration with Jana Vignana Vedika, Police Department and with Departments of Revenue and Judiciary too.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

GENDER EQUITY:

The college adhered to the norms of gender equity strictly. No such case has arisen upto now in the campus. The women students are as equal as the men students of the college. They are not discriminated against in any way. During the academic years 2014 - 15, 2015 - 16 and 2016 - 17 the girl students are the students' union chairpersons by virtue of being the toppers of the University examination in the college level.

Thus the college gives a lion's share to the women students of the college. An active Women Empowerment Cell has been working throughout the year in conducting women sensitization programmes. Prominent Women from Government sector, Private sector, Industrialists health and Successful women are invited to the college and awareness programmes have been arranged for motivating the students. Doctors too are invited to provide personal hygiene techniques.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

The solid waste in the campus is generated from various sources such as labs, classrooms, office, garden etc. All the waste is collected by the sweepers who are allotted for different buildings on the campus. Dustbins are placed at different locations on the campus. Some of them are placed in the class rooms and in laboratories and in certain places of the garden. These dustbins are emptied regularly.

The solid waste at this juncture is converted into vermicompost. A vermi compost pit is utilized for this purpose, it is located in front of the Department of Physics. Regarding liquid waste the college does not produce much liquid waste. The washroom pits will serve for this purpose. The college does not have autonomy to deal with the e - waste.

The college has to draft for permission from the authorities concerned and if the permission is issued then only the college can

chalk a plan for that. Until now the room adjacent to the reading room of the library is used for storing e waste materials.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The college aims to bring harmony in all the fields to a student during his or her stay in the college. Palamaner is the microcosm of India. The three religions live together in the town. To give a scope to achieve higher education for the Muslim girls, Urdu medium has been started in the college. Students from V.Kota a town which is 45 kms far away from Palamaner also joined the course to pursue their goal of higher education.

The college adheres to religious harmony in the campus rigorously. The Department of Hindi has been motivating the students to participate in certificate courses like Vidwan, 03 students get certified in the exam. The students have been participating in NSS special camps conducted in the villages which are nearby Palamaner. They made the villagers as literates of a transaction in a self learning method. The NSS units in collaboration with the High School students conducted Swatch Pakwada and cleared the sewage in the streets along with their NCC officer.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

SVCR Government Degree College adheres to the constitutional values strictly. The reservation in allotment of seats is followed scrupulously. During the congregation of the students in the morning the Oath is uttered by students. To bring awareness on the constitution a day is being celebrated as constitutional day every year. Some prominent advocates in the town are invited as the chief guests; the toil behind compiling Constitution is well explained to the students. In an awareness programme conducted in collaboration with the Department of Judiciary, the Honorable Junior Civil Judge, Sri Rahul Ambedkar, sensitized the students on the matters of constitution and civil rights and duties.

A continual fight is being done on ban on plastic. An awareness programme is conducted by the Professor of S V University on legal rights for students. The college utters the oath on equity and equality on the Birth celebrations of Sardar Vallabhai Patel every year. A massive singing of Jana Gana Mana is followed strictly after prayer of every day.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

The college celebrates these festivals with its own individual mark of equality and fraternity. After the flag hoisting multi faith recitals from the scriptures are carried out for five minutes. Songs and other cultural events marking patriotism and national integration are also performed by the students. Apart from the national festivals birth and death anniversaries of great Indian statesmen, leaders, writers, scientists, academicians, social reformers are celebrated.

These events are celebrated to initiate the students to the fields of knowledge to which these great personalities have contributed, and also to make the students follow the path of knowledge, leadership and service to community by taking these personalities as their role models. The events that are conducted are the birth or death anniversaries of Mahatma Gandhi, B.R. Ambedkar, Alluri Seetharamaraju, a freedom fighter of Andhra Pradesh, Sir C.V.Raman, as Science Day, Sri Srinivasa Ramanujan, as Mathematics Day and Sri Sardar Vallabhai Patel, as Unity Day (Ekta Diwas).

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

TITLE : ADOPTION OF VILLAGES BY NSS

CONTEXT/ INTRODUCTIONS: National Service Scheme has two units in the college. The two units have enrolled 100 students in each. The students and the coordinators of the units adopt two different villages each year. They conduct many activities during one week of the stay in that year.

PRACTICE: The students get enrolled in to NSS in the beginning of the year. The two units have one coordinator and the students whoever is willing to join. Each unit selects a village and approaches the surpunch of the villages and enquires about the

conditions of the village.

TITLE : VANAM - MANAM

CONTEXT/ INTRODUCTIONS: The college is located in the suburbs of the town Palamaner. The college has a large plain land which is ready for plants. Hence the college took a decision to improve greenery in the campus thus adding more colours to the campus and to decrease pollution in the campus. **PRACTICE:** 1. The college conducts Vanam - Manam Programme more than four times in every year. 2. During these hours the students and staff recognize the points where they can plant the saplings.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The college is located in a serene atmosphere. It is quiet away from the humdrum of the town limits. In the same way the college has an access to students who come by bus or auto. It is located on the main road which leads to Gudiyatham a town in Tamilnadu. Palamaner won acclaim as the milk city of South India and is located at arm's length to two states that is Tamil Nadu and Karnataka and to their capital cities; Chinnai and Bangalore respectively and the suburbs of Palamaner hosted many apparel manufacturers and food processing factories too: thus paving a way for employment generation. Hence, college aims to promote the culture in which the students will get an ambience for skills developing and employability.

The college is located in a great large area with much decorated greenery. The main building and the adjacent rooms are shadowed with the trees that look ahead. The college undertakes sapling planting activities more than three times in every academic year.

7.3.2 - Plan of action for the next academic year

The college is going for NAAC accreditation, hence the college would like to make changes in all spheres.

At present the college has completed the accreditation.

The introduction of new courses is the first future plan.

To improve gross enrolment ratio is one of the plans.

To give more space in the laboratories is one more plan.

To make library a digital one and to do library automation.

To construct some more rooms for the class work.

To have some more computers to the labs.
