FEED BACK ACTION TAKEN REPORT-2023-24

Introduction:

Gathering and analyzing feedback is essential for improving various facets of quality assurance. It significantly contributes to enhancing the quality of education by assessing and refining the curriculum, teaching strategies, infrastructure, and learning resources. Feedback from stakeholders, including students, faculty, employers, alumni offer valuable insights into the curriculum and syllabi, enabling educational institutions to identify and address challenges effectively. This feedback mechanism facilitates the revision and enhancement of quality measures, ensuring sustained excellence.

The feedback for academic session 2023-24 was obtained Offline from the students and their parents. For this, college has developed its own questionnaire for all these stakeholders as per the NAAC guidelines having following questions **for the students.**

Feedback Analysis and Action Taken Report For the academic session 2023-24

A meeting of HoDs with the Principal was held and the feedbacks of various departments were assessed. The feedback analysis is satisfactory. The faculty cultivate a constructive and dynamic classroom ambiance, promoting active student involvement and contribution. Faculty exhibit a profound mastery of the subject area, adeptly communicating intricate concepts to students. Teachers establish a positive connection with students, displaying understanding and offering assistance as necessary. The collected data was analyzed through pie chart analysis and the analysis of feedback was discussed at department level and staff council as well as in the IQAC meetings. The appropriate steps were taken in the few areas where improvement was required.

Parent's feedback and suggestions, were also obtained on the indices like
